

## Part One: Visioning the Future

### Objectives

The Global Nutrition Cluster's Annual Meeting is an opportunity for stakeholders to participate in the process of visioning the **Nutrition in Emergencies (NiE) Sector Road Map** and the new **GNC Strategy (2022-2025)**. The process for engagement is outlined in the agenda below:

### Day 1

15 JUNE 2021

#### Developing the NiE Sector Road Map: What are the key challenges?

- Welcome & Opening remarks (15 mins)
- Summary of GNC's progress towards previous strategy (2017-2021) (60 mins)

- Introduction to Group Work
- Process for developing the NiE Sector Road Map and the new GNC Strategy (2022-2025) (10 mins)

- Group work (60 mins) to refine key challenges in the NiE sector in 10 break-out groups

#### *Expected outputs for Day 1:*

- All participants are familiar with key GNC achievements over the past 5 years (2017-2021)
- Key challenges for the NiE sector updated

### Day 2

16 JUNE 2021

#### Developing the NiE Sector Road Map: What are the key solutions?

- Opening remarks (10 mins)
- Group presentations on key challenges from Day 1 (50 mins)

- Group work to develop NiE Sector Road Map (60 mins)
- Group presentations on the Road Map

#### *Expected outputs for Day 2:*

- Draft NiE Sector Road Map updated

### Day 3

17 JUNE 2021

#### Developing the GNC Strategy (2022-2025)

- Summary of the proposed NiE Sector Road Map (10 mins)
- Presentation of the proposed GNC Strategy (2022-2025) (20 mins)
- Group work to discuss the GNC key initiatives for next 4 years, based on NiE Sector Road Map and Strategy (60 mins)
- Feedback for each strategic pillar of GNC Strategy (60 mins)

#### *Expected outputs for Day 3:*

- Key initiatives and indicators for GNC Strategy (2022-2025) agreed
