<p>EL-Mal health centre( Tuli woreda) Catchment area: Pop:7235 H/H: 1096 U/5: 731 3 Health posts( supported by save the children) 8 kebeles</p>	<ul style="list-style-type: none"> <li>• Has spacious building</li> <li>• Inpatient facility available</li> <li>• OTP stopped for 2 months – no supplies</li> <li>• water carried daily from shallow wells- about 200 metres from the centre</li> <li>• toilets available</li> </ul>	<ul style="list-style-type: none"> <li>• 2-clinical nurses</li> <li>• 2-midwives</li> <li>• 1 druggist</li> <li>• 7 social mobilisers</li> </ul> <p><b>No staff has been trained in CMAM</b></p>	<ul style="list-style-type: none"> <li>• Routine medicines available from woreda however, amoxy is not for free</li> <li>• RUTF –not available</li> <li>• No WFP supplies available-</li> <li>• MUAC tapes available</li> <li>• 2 basin(baby) scale</li> <li>• 2bathroom(standing) scale</li> <li>• No height board</li> <li>• 4 cups</li> <li>• No handwashing facilities(points)</li> <li>• 1 thermometer</li> <li>• No OTP cards, no reports</li> <li>• Register available</li> </ul>	<p>18km from Jijjga Road good Have mobile network</p>	<p>Monthly meetings at woreda level</p> <p>Monthly supervision from the UNICEF monitors</p>	<p>Incharge:</p>

**Recommendations:**

- RHB to arrange for orientation to support in establishment of OTP and provide RUTF and other supplies from the woreda ( agreed to conduct on Thursday-28<sup>th</sup> January2016) to be supported by TA and monitor, set-up on friday
- Woreda/RHB to provide cups for the SC and OTP
- UNICEF / RHB to provide height boards and weighing scales and thermometers
- Woreda/RHB/UNICEF and Health centre to provide handwashing points(facilities) around the health centre
- Health centre to strengthen the community mobilisation component, provide training and supervision modalities
- UNICEF monitor and RHB to provide more supervision and mentoring
- RHB/TA to Advocate for Save the children to be supporting the health centres as well in the areas where they are supporting the health posts

**CAPACITY ASSESSMENT TOOL**

NAME/ORG/HEALTH FACILITY	INFRASTRUCTURE/ Storage capacity	HUMAN RESOURCE	SUPPLIES/EQUIPMENT	ACCESSIBILITY	COORDINATION/ partners	People met
Tuli health centre Catchment area: Pop: 15250 Kebeles-13	Inpatient facility available for adults only No space for SC OTP service available Electricity available running water toilets available has outreach services	2-Bsc Nurses 9-clinical nurses 2-midwives 1 druggist 1-HEWs 6-CMVs  <b>CMAM trained: 2 Nurses</b>	VitA and Albendazole available No Amoxyl RUTF – available No WFP supplies available- used as woreda stores as well No F75/F100 MUAC tapes available No height board No cups No hand washing facilities(points)	35km from Jijjiga Road good Have mobile network Have an ambulance	Quarterly at woreda level	Ahmed Yonas Osman OTP nurse Currently being supported by RHB

**Recommendations:**

- Though, the current strategy for emergency response indicates that each health centre must have an SC, there is no space set-up, UNICEF must provide a tent where an SC can be set-up
- RHB/UNICEF to provide all the equipment and supplies needed
- The monitor to continue with onjob training whilst supervising.
