Cross-cutting themes workstreams

There are 6 established workstreams looking at cross-cutting themes
- Anti-racism and Localization (A&L); Gender & GBV; Disability; Humanitarian Development Nexus (HDN); Accountability to affected populations (AAP) and Climate Change

Some key achievement this quarter include:
- *Gender and GBV*: First gender and nutrition in-country support provided in Ethiopia with the Emergency Nutrition Coordination Unit.
- *AAP*: Discussion on workplan activities; initiated work on FAQ for AAP in nutrition
- *A&L*: Proposed definition of LNA for TST. Hosted TST chat on Ramadan.
- *HDPN*: Brainstorming on topics for HDPN FAQ document, presentation of N4D work in Yemen.
- *Disability*: This quarter focused on information sharing and brainstorming on how to reach new members.
- *Climate Change*: Discussion on the different areas of work for the workstream (preparedness/resilience, food systems and nutrition, environmental justice, environmental impact), a decision was taken to focus on preparedness/resilience and environmental impact for the coming months
