

Who are we. The Global Nutrition Cluster (GNC) Advocacy and Communications Working Group (A&C WG) was established in 2021 to provide strategic and technical support to the GNC to guide its engagement in advocacy activities at global, regional, and country levels. The group is comprised of 20 representatives from 12 GNC partners and country-level coordination teams with expertise and interest in advocacy and communications.

Key GNC Advocacy Resources at your fingertips

Scan me!

FULL of ideas, tools, and examples to guide and help you think through the different stages of the advocacy cycle!!
